To realize this dream and to test your preparedness well before your Final Exam, Mentors Eduserv has come up with **"OPEN TESTS"** for JEE (MAIN & ADVANCED) 2018 at National Level. This Exam will test your comprehensive conceptual strengths, subject awareness & analytical ability and also give you valuable practice for actual JEE 2018 Entrance Examinations. With the new announcement, JEE ADVANCED will now be conducted in fully Computer Based Test mode (i.e. Online). The students will however have an option to choose between Offline & Online mode for their JEE MAIN Examination, but it will be mandatory for all the eligible students to appear for their JEE ADVANCED Examination in Computer Based Test mode. Keeping in mind the newly introduced Computer based Test mode of JEE ADV. Examination. Mentors Eduserv is offering the Students **"3 options"** for OPEN TESTS for JEE 2018 :

1. Online Computer based Test (CBT) at Mentors Eduserv declared Computer Centres :

- This computer based test series will enable the students to practice in an environment similar to the real JEE ADV. 2018 Exam.
- One instructor / technician will be provided per 30 students at each test centre.
- The Examination will be conducted server based. Thus in case of power failures or any other technical issues, the examination will begin from the same time & same question where the student had left it.

2. Online Computer based Test at Home (HBT) :

- All students enrolling for HBT will be provided with a login id & password which will be activated on the given test date.
- All students enrolling for HBT will be eligible to get a Virtual All India Rank (V-AIR).
- After the link is activated on the given test date, it will remain open till date 20.05.2018.

3. Offline Optical Mark Reading (OMR) based Test at Mentors Eduserv declared Centres :

- OMR based test series is a pen and paper mode of examination in which the students mark the answers in an Optical Mark Reading (OMR) Sheet.
- The students enrolling for OMR based test series will appear for the tests at Mentors Eduserv declared test centers.

NOTE : • The question paper will remain same in all the 3 programs • All Students registering for "CBT or HBT" program will experience a simulated test environment for their JEE ADVANCED 2018 Exam preparation & will also get a detailed performance analysis report for each subject • All the online CBT / HBT Tests are time bounded. My name is Syomantak Chaudhuri and I've secured AIR 74 in JEE ADVANCED 2017. My chemistry teacher Amitava Mazumdar told us about Mr. Anand Jaiswal, renowned physics teacher at mentors Eduserv. Anand Sir taught us a couple of times and cleared our existing doubts and I benefitted for exam preparation. We were also provided with mentor material, assignments and tests, helping me secure 284/360 in mains and AIR 74 in ADV. I'm very thankful to Amitava Sir for introducing me to Anand Sir and their constant support and care.

1 Year Long Contact Classroom Program

My name is Yugesh Khandelwal I came to know about mentors Eduserv through my friend enrolled in mentors Eduserv in the short classroom program. He told me that the past 3 year's toppers of Jaiswal Sir were also enrolled in similar program. He highly appreciated the teaching quality of the teachers. So, I also joined the Short Classroom program of mentors Eduserv with TEST SERIES and mentors Rank Improvement package (MERIP). From the very first class, I experienced quality of teaching. The dedication of teachers inspired me to attend all the classes. The teachers of all subjects were very experienced. After the classes, the teachers used to stay till all my doubts were cleared. The teachers also guided us how to minimize errors. The classes and doubt clearing sessions were very beneficial to me and helped me greatly in my preparation. The study material, assignment subject-wise and regular Tests on JEE pattern provided and proved to be very helpful and made me more confident. The facilities provided helped me perform so good and secure good rank. I am very much thankful to mentors Eduserv and owe my success to them.

My name is Mohit Kumar. I came to know that the past 3 years' toppers of Jee Advanced, including my (AIR 73, JEE Adv. 2016), Anish Gupta (AIR 44, JEE Adv. 2016) & Siddhartha Khatke (AIR 33, JEE Adv. 2016) were enrolled in Mentors Eduserv in the Short Classroom Program. So without any doubt I also joined the Short Classroom Program of Mentors Eduserv with Test Series and Merit Eduserv Rank Improvement Package (MERIP). The exceptional quality of teaching from the highly experienced teachers influenced me and I attended all the classes. The classes were followed by doubt clearing sessions which were very good and beneficial. We were provided Mentors Eduserv Rank Improvement Package (MERIP) comprising of challenging questions for JEE Main along with previous year's questions. This helped me greatly in solving all the topics. Also, the regular tests on JEE pattern and all India Assignments subject-wise proved to be very helpful and made me more confident. Some of the questions asked were similar to questions given in MERIP & test papers. We were also taught how to manage the time during the exam. I am very thankful to Mentors Eduserv for helping me to secure such a good rank.

2 YEAR REGULAR CLASSROOM PROGRAM

My name is Sourabh and I've secured AIR 105 (OBC) in JEE Adv 2017. My brother studied in Mentors Eduserv & qualified JEE Adv with a good rank. He's studying in IIT Kanpur with Electrical branch. I was inspired by him & joined Mentors Eduserv. Due to my good performance, I got selected for Achiever's Campus. Here a rigorous study schedule is followed from 7 AM to 11 PM. It included 4 classes by highly experienced teachers led by Anand Jaiswal Sir, subject wise self study period, on spot doubt clearance etc. Apart from teaching, exhaustive study materials, weekly test and assignments, Rank Improvement Package, All India Test Series made me confident & kept me motivated. Our course was completed in Oct 2016 itself, which provided me enough time for revision & board preparation. The whole support of Mentors Eduserv helped me to score 93% (PCM) in 12th board, qualify Physics (NSEP) and Chemistry (NSEC) olympiads, become KVPY Scholar with AIR 446. I am thankful to Mentors Eduserv for all my achievements.

2 YEAR REGULAR CLASSROOM PROGRAM

My name is Prashit Raj and I have secured AIR 3 (PWD) in JEE Adv 2017. I joined Mentors Eduserv because of its best results in Eastern India and many of my known seniors have qualified in JEE from this institute. In class 11th, I studied in Vankarbagh branch. Then due to my good performance, I got selected for Achiever's Campus in 12th. Other than regular study materials, we were given weekly assignments based on errors made by us in the weekly tests. This helped me a lot to remove the loopholes in my preparation. In the gap of 45 days after JEE Main, we were provided with daily topic wise assignments of each subject and also 2-3 tests per week. I solved all assignments and gave all tests as if it was real JEE Adv exam. This helped me to improve my time management and attempt tough questions with ease. The support and guidance of Mentors Eduserv helped me to score 275/360 in JEE Main 2017 and qualify Astronomy (NSEA) olympiad. I owe my achievement to Mentors Eduserv.
